

E-Filing Guide for Self-Represented Litigants

How to E-file in Odyssey Step 5: Add a Payment Account

E-filing Steps

Add a payment account

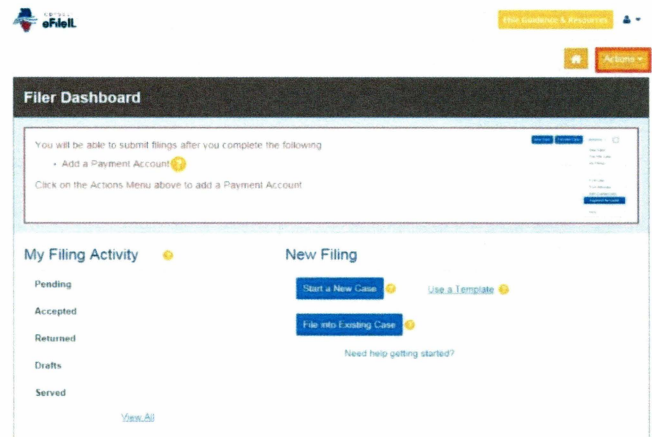

Before you can e-file your court documents, you must add a payment account. If there is a filing fee due, it must be paid at the time of e-filing. **If you cannot afford the filing fee**, you still have to follow the steps to create a payment account, but can select "Waiver." This does not mean your waiver will be approved, and you may have to create another payment account and pay filing fees if the waiver is denied.

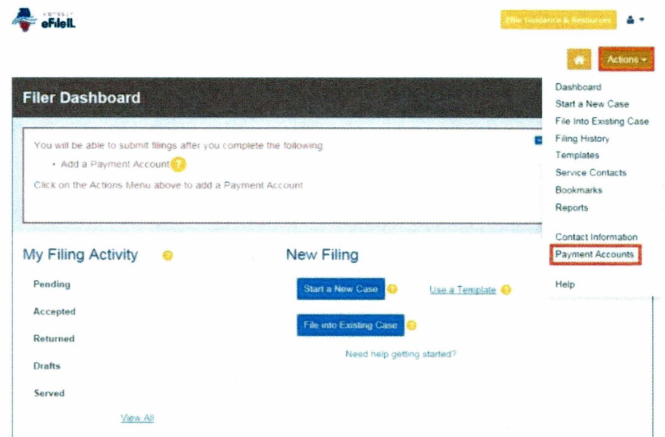

If you can afford to pay your filing fee, you must have a credit card or a checking account to pay online. If you do not have a credit card or checking account, one option is to buy a pre-paid debit card from most major stores such as Walgreens, Walmart, or Target. **If you want to pay in cash**, you need to ask your local court to find out if they accept cash payments and what their process is for paying the filing fee in person.

➡ Click Payment Accounts under Actions

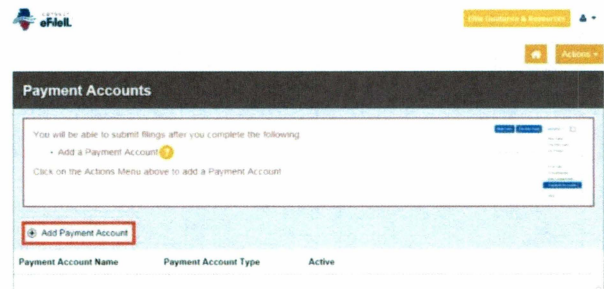

1. From the Home Page above Filer Dashboard, click the orange button for **Actions**.

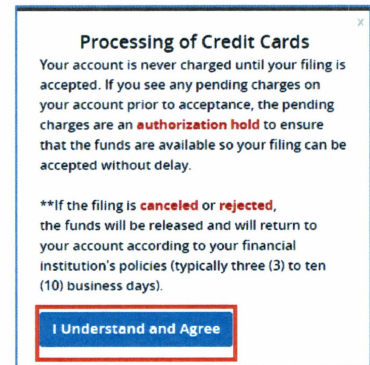

2. Under Actions click **Payment Account**.

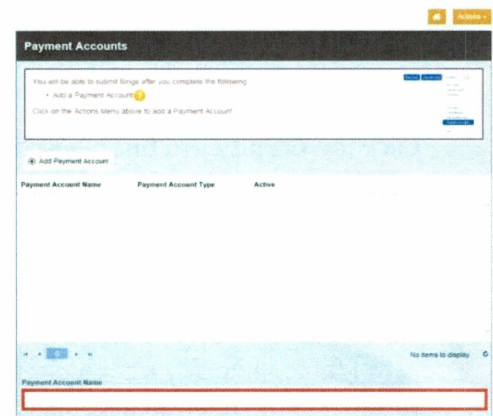

3. Click **Add Payment Account**.

4. This pop up box will appear. Read the information and click **I Understand and Agree**.

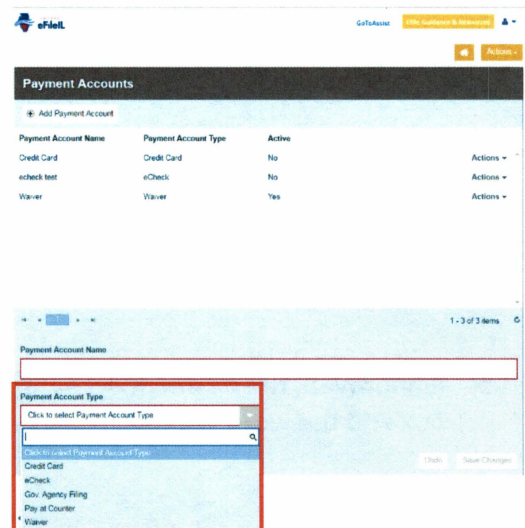

5. Enter a name for the account payment. You may name it anything. This name is just so you can identify the payment account. This name will appear in Step 9: Pay Fees.

6. Select how you want to pay. The options are: **Credit Card, eCheck, Gov. Agency Filing, Pay at Counter, or Waiver**.

- Credit Card also includes prepay debit cards.
- eCheck means direct payment from a checking or savings bank account.
- Gov. Agency Filing option will not apply to a self-represented litigant.
- Pay at Counter means that you want to pay in cash.
- Waiver means that you are requesting the court to waive your filing fees because you cannot afford the fees.

See the following pages for detailed information about each payment account type.

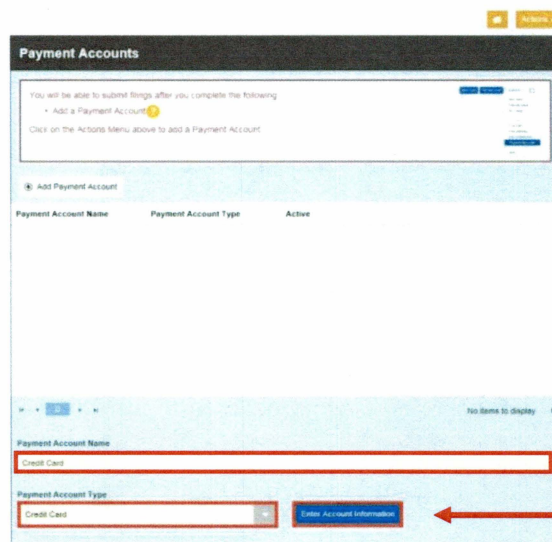

Credit card or prepaid debit card

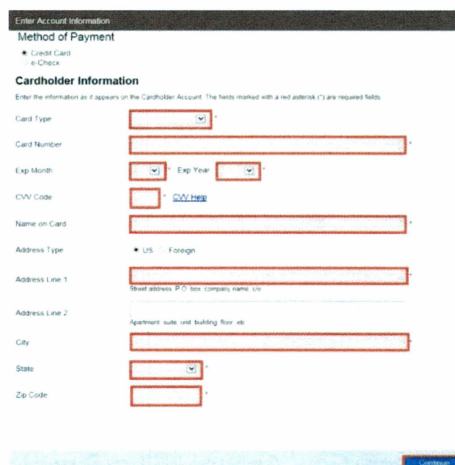

There is a convenience fee for paying by credit card. You will pay an extra 2.89% of the total filing fee. If using a prepaid card, make sure to purchase it for the total filing fee plus 2.89%.

1. To use a credit card or prepaid debit card, choose **Credit Card** in the drop down menu and create a Payment Account Name. This name is just for you to know which card you entered.

2. Click **Enter Account Information**.

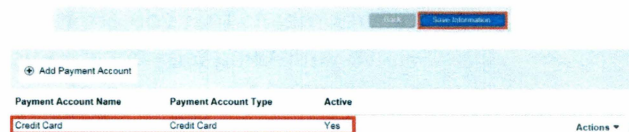

3. Click the **Credit Card** bubble at the top. Enter your credit card or prepaid debit card information and click **Continue**.

You may now e-file your court documents and pay with a credit card.

eCheck (bank account)

 There is a convenience fee for paying by eCheck. You will pay an extra flat fee of 25 cents.

1. To pay using your bank routing and account number, choose **eCheck** in the drop down menu and create a Payment Account Name. This name is just for you to know which account you entered.

2. Click **Enter Account Information**.

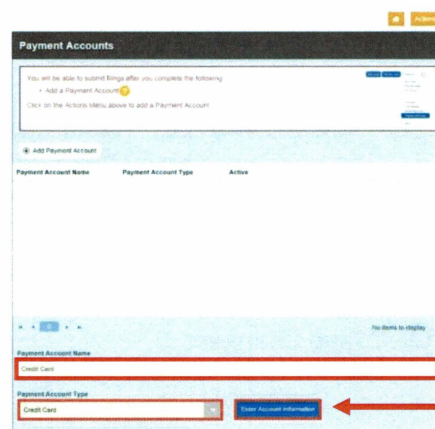

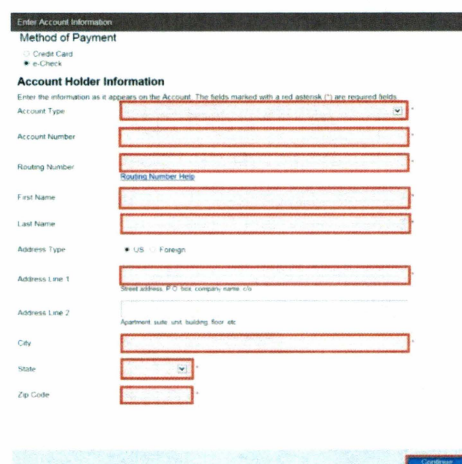

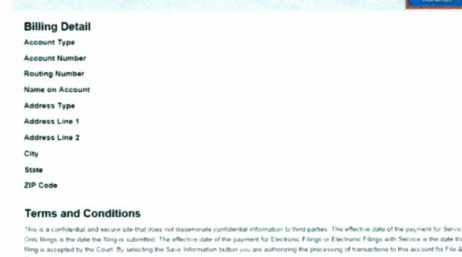

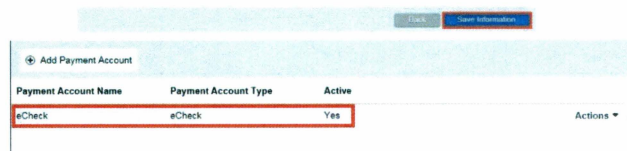

3. Click the **eCheck** bubble at the top. Under Account Type, select whether you want to pay from your checking or savings account.

Pay at Counter (cash)

1. If you want to pay in cash (and you've confirmed your local court accepts cash payments) choose **Pay at Counter** in the drop down menu and create a Payment Account Name. This name is just so you can identify the payment account.

2. Click **Save Changes**.

Important note about the Pay at Counter payment account

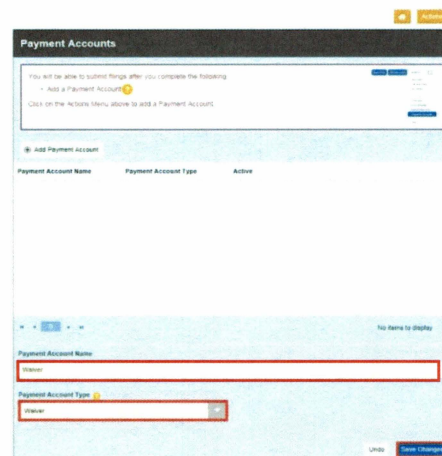

- Selecting the Pay at Counter Payment Account does NOT mean you are allowed to pay in cash. You must contact your local court BEFORE e-filing to find out if they accept cash payments. If they do not, you CANNOT use the Pay at Counter Payment Account for the purpose of cash payments and your filing may be rejected. Some courts may also require that you e-file in person at the courthouse to be able to use the Pay at Counter payment account.

You may now e-file your court documents and Pay at Counter in cash.

Fee waiver

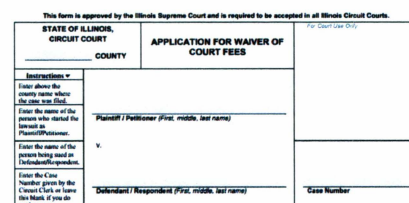

1. If you are going to file a fee waiver choose **Waiver** in the drop down menu and create a Payment Account Name. This name is just so you can identify the payment account.
2. Click **Save Changes**.
3. If you successfully chose Waiver, "Waiver" will be listed in the box and the word "Yes" will be listed under active.

Important note about the Waiver payment account

- Selecting the Waiver Payment Account does NOT mean you will get your fees waived.
- If you are asking the court to waive your fees for the first time in this case, you must upload an *Application for Waiver of Court Fees* as a Lead Document. A judge will review your application and may require you to appear in court. You will receive an order either granting or denying your application. If your application is denied, you will need to create another payment account and pay your filing fees. If you do not upload the *Application*, your filing may be rejected.
- An *Application for Waiver of Court Fees* can be found under Fee Waiver for trial/circuit courts or under Appellate for appellate courts: <http://illinoiscourts.gov/Forms/approved/default.asp>. For more information about how to upload the Application as a Lead Document, see *How to E-File in Odyssey Step 8: Upload Your Documents in the Filings Section*.
- If the court already approved your *Application* in this case, you do NOT need to submit another application, but you MUST upload a copy of the signed *Fee Waiver Order* when you submit your court filing. You still select "Waiver" as your payment account.

You may now e-file your court documents with an application for fee waiver.
